ABOUT ME

I love mobile and I always have my iPhone nearby ;) I'm an iOS Programmer with almost 8 years of experience in mobile solutions for business. Since 2011, I created over 20 unique, custom apps both as an individual Developer and as a part of bigger teams. For the last 4 years, I was primarily working remotely with clients from the UK & UAE.

WORK EXPERIENCE

4 years
2015-Present

All in Mobile (AIM sp. z o.o)

Senior iOS Developer

Working on 7 different iOS projects for a highly specialized mobile dev house. Most of the time remotely.
